

Dear Veterans,

We are so excited about the upcoming reunion! Many new and exciting events are being planned for your return to Bellefontaine, Ohio, along with an even better meal menu, and awesome registration gifts and prizes. We need to share a slight change from our typical reunions. In June of 2020, the main building at Ohio Hi-Point where our gathering and meals take place will be under construction due to a levy that Ohio Hi-Point Career Center passed in 2019. However, the Bellefontaine City School District has graciously let us have use of their beautiful high school lunch/café and lounge area. The parking is very close to this building (right outside the doors) so access will be very easy. The Bellefontaine High School is located in town, close to Hi-Point and the American Legion. We will still be able to have access to the former air base campus and be able to tour the site including the high point, the radar sail, the memorial bricks, the future National Air Defense Radar Museum, the fallout shelter, and the Welcome Center. So while the main gathering place will be different next year, the events, fun, and comradery will still be the same. On the back is a tentative schedule for the 2020 reunion.

We would love to add more radar patches to the above! Therefore, we are asking you to fill out the radar sites where you were stationed so that in the future we can include all the sites that are represented. Remember, this reunion while is at the site of the 664th AC&W, the reunion is for ALL radar veterans regardless of branch served.

We look forward to see all of you there!

Sincerely,

664th Reunion Committee

JUNE 26, 27, & 28, 2020
